

Go Shopping

It is Sunday. The weather is sunny. Mum and Betty go to Lucky Shopping Centre because they want to buy different things. When they arrive at Lucky Shopping Centre, they look at the directory first. Mum says, 'Let's go to the first floor.'

Mum wants to go to the clothes shop because she wants to buy a beautiful dress. Betty wants to go to the toy shop because she wants to buy a lovely teddy bear. They are happy.

Suddenly, Mum cannot see Betty. She is worried. She goes everywhere to find her.

In the end, Mum goes to the ice cream shop to find her. She sees Betty there. Mum is happy. They enjoy their favourite ice cream. Betty thinks shopping with Mum is great!
