

# FUN FAIR

## At the Fun Fair

Last Friday was my school fun fair. The weather was great for outdoor activities.

I met up with Leo. We saw a lot of game stalls. We hit the wheel at a game stall and I won a toy car. We ate snacks too.

Then I went to get my prize. Mr. Leung said, 'You are a lucky boy! You won a red and grey toy car which is the best car in the stall.'

The naughty boy, Andy, saw my beautiful car. His face turned red and he shouted, 'Give me the car. I want it!' Then he grabbed my car.

All of a sudden, he dropped the car and it was broken. I was crying like a baby. Leo called the teacher. The teacher punished Andy. Andy was sad and he said sorry to me.
